

Muhammad Shahzad Shaukat

Aspiring Full Stack Developer

Faisalabad

outreachmarketingspecialist@gmail.com

+923014214219

I am currently engaged in expanding my skill set within the field of development, with a particular focus on mastering specific languages, frameworks, and areas of expertise. Committed to continuous learning and growth in this dynamic domain, I am eager to apply acquired knowledge to real-world projects. I welcome connections and guidance from individuals within the Development community, as their insights will greatly enhance my learning journey. Throughout this process, I am dedicated to sharing my progress and insights to foster mutual learning and development

Willing to relocate: Anywhere

Work Experience

Journey to become Full Stack Developer (Mern)

Saylani mass IT program Faisalabad - Faisalabad

December 2023 to Present

I am currently learning Full Stack development from sayalni mass IT institute Faisalabad. I want to explore myself in the field of website and mobile app development. So far, I have learned HTML,CSS, Bootstrap,Github and JavaScript (Basic of JavaScript i.e. loops,if-else conditions, Data Structure algorithms,logical operators etc.) from their.My goal is that to involve in an institute to polish my skills and learn from the fellow developers to become a better developer. With that learning I am finding an Intership.

Outreach Expert

Enzepe - Faisalabad

December 2023 to March 2024

I gained valuable experience as an Outreach Expert during my three-month tenure at Enzepe. In this role, I effectively engaged with diverse stakeholders to promote Enzepe's mission and services. I leveraged my communication skills to establish strong relationships, identify outreach opportunities, and increase brand visibility. My responsibility was there to outreach higher rank sites through email marketing and took backlink from them to improve company products rank on Google pages. I provide guest Post service there as well.
